Buy Parasels from Geo. Forth.

I looks like it would be McKinleyism against Clevelandism, which will mean a walkover for the former.

Senators Gorman and Vest on the stump for Cleveland will be a sight worth going miles to see.

Joe Pulitzer has hoodooed the third term by offering to support it conditionally.

It would take more than a foreign war to elect Mr. Cleveland president of the United States again.

It is safe to say that neither Senators Tillman nor Vest are included in Mr. Cleveland's scheme of a harmonious Democratic party.

The time will soon come when the wealthy man who dies and leaves only one widow will be spoken of as having been eccentric.

Well, Well! Mr. Bookwalter, once a prominent Ohio Democrat, pokes his head out of the valley of obscurity long enough to predict that the Chicago convention will adopt a free silver platform and nominate Cleveland. Truly, that would be a Democratic combination indeed.

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever, sore, letter, chapped hands, chilblains, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by A. Brandenberger.

Notice of Final Settlement.

Notice is hereby given that the undersigned, Margaretta Lorenz, administratrix of the estate of John E. Lorenz, deceased, will make final settlement of his accounts with said estate as such administratrix, at the next term of the Probate court of Jefferson City, Missouri, to be held on the 15th day of May, 1895.

MARGARETTA LORENZ, Administratrix.

The carelessness of many wheel owners is causing trouble to take the bicycle.

Mr. Cleveland's dream of a perfect civil service means a smoothly working Cleveland machine, which can be controlled from Washington, in every state.

The bicycle crane is credited with having made the last season such a disastrous one to the show business. Let the summer resort proprietors beware.

There is always occupation for the professional liar. By the time the rainy season drives them out of Cuba the Democratic editors will be bidding for their services.

Prince Bismarck would, if properly approached, give Gen. Weyler some pointers on what comes of threatening to resign every time the game doesn't go your way.

The difference between Graver Cleveland and Chicago is as wide as their respective motives—"I will" and "I won't"—but Graver wants to boss that convention all the same.

Now, gentlemen, nearly all the delegates to the St. Louis convention have been selected, suppose we let them make the platform and name the candidates. They are representative Republicans and can be trusted to do the right thing for the country as well as for the party.

A Sound Liver Makes a Well Man.

Are you Bilious, Constipated or troubled with Jaundice, Sick Headache, Bad Taste in Mouth, Foul Breath, Coated Tongue, Dyspepsia, Indigestion, Hot Dry Skin, Pain in Back and Between the Shoulders, Chills and Fever, &c. If you have any of these symptoms, your liver is out of order and your blood is being slowly poisoned, because your liver does not act properly. "Herbivore" will cure any disorder of the Liver, Stomach or Bowels. It has no equal as a Liver Medicine. Free trial bottles at Brandenberger's.

The editors who are talking about an extra session of the Fifty-fifth congress being called to meet on the day the next president is inaugurated are exhibiting their ignorance. No proclamation can be issued calling that congress together until after the next president has taken his seat, and it is customary, although not obligatory, to issue such proclamations at least thirty days in advance of the date named for congress to meet.

ELECTRIC BITTERS.

Electric Bitters is a medicine suited for season, but perhaps more generally needed, when the languid exuberant feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal biliousness. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation and dizziness yield to Electric Bitters. 50c and \$1 per bottle at A. Brandenberger's drug store.

Tickets will be good for return twenty days from date of sale. Stopover allowed at any point south of Clinton within the fifteen days before limit. For further information, call on or address J. L. COSS, Ticket Agent, North Jefferson, Mo. (P. O. Cedar City, Mo.)

Administratrix's Notice.

Notice is hereby given that letters of administration on the estate of Nicholas Linhardt, deceased, were granted to the undersigned on the 11th day of May, 1895, by the Probate Court of Cole county, Missouri. All persons having claims against said estate are required to exhibit them for allowance to the administratrix within one year after the date of said letters, or they may be precluded from any benefit of such estate; and if such claims be not exhibited within two years from the date of this publication, they shall be forever barred.

This 11th day of May, 1895.  
HENRY O. LINHARDT, Administratrix.

The officers of the North American squadron having tired of Hampton Roads, Secretary Herbert kindly ordered the "adzevans" changed to New York harbor. Perhaps they may yet have to go to sea.

The German Methodist Episcopal Church, corner of Broadway and Elm streets, holds services as follows: Sunday School, 9:30 a.m.; evening service, 7:30 p.m.; prayer meeting Wednesday evening, 7:30 o'clock.  
Rev. S. GORTS, Pastor.

Marvelous Results.

From a letter by Rev. J. Gunderman, of Dimondale, Mich.: "We are permitted to make this extract: 'I have no hesitation in recommending Dr. King's New Discovery as the results were almost marvelous in the case of my wife. While brought down with pneumonia succeeded La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results.' Trial bottles free at A. Brandenberger's Drug store. Regular size 50c, and \$1.00.

If Mr. Cleveland can stand calling an extra session of congress for financial legislation, the Republicans certainly can. The position of the Republicans has already been unflinchingly declared by the bills passed by the house, the only branch of congress controlled by the Republicans.

THE DAKOTA HOTSPRINGS.

The Hot Springs of Arkansas have long been deservedly popular, for the reason that there is no other place that has filled the requirements of both a health and a pleasure resort. The state of affairs has changed. The Hot Springs of South Dakota have, in recent years, been thrown open to the people, and because of their delightful situation and great curative qualities, are becoming more popular every day. Situated at this resort is, in the famous Black Hills, in the midst of beautiful mountain scenery, a place of the largest and most comfortable accommodations in the world. The hotel buildings are of the best—boastful with all the modern conveniences and luxuries. The hotel Evans, built of pink sand stone, with steam heat, electric lights, and every room as outside out, is easily the best conducted house between Chicago and Denver. The rates are all reasonable. The marvelous "Wild Cave"; the falls of Fall River; Battle Mountain; the old Indian battle ground; Leadwood and the gold fields; and the famous Bad Lands are all within driving distance. The mammoth plunge bath at the springs is noted for being one of the largest in the world. So beautiful are the surroundings, and so many the conveniences of this "Paradise of America," that it is rapidly becoming the "Mecca" not only for invalids, but for pleasure seekers as well. The "Burlington Route" reaches there in a day and a half from St. Louis. Pullman sleepers and free chair cars on train No. 15 run to Lincoln and from Lincoln free chair cars and sleepers run through to the spring.

It will be a comparatively easy matter to get the right witnesses before the senate committee which will investigate those bond issues, but making them tell all they know will be another thing entirely.
